CAPTAINS IMPORTANT NOTE: It is the home team Captain's responsibility to ensure there are enough dart boards available and accessible to play your scheduled matches. If there are issues that arise before or during the course of a match, then the Captains need to work together to resolve the issues and get your matches completed as best as you possibly can. Captains are responsible for ensuring time limitations between legs and matches are not exceeded. Reschedules are a last resort tool and are only to be used in case of actual emergencies or unforeseen circumstances. If you have enough players available to field a team, you should play your match.

After you text in scores/pictures of scoresheets, leave scoresheets in Drop Box.
